(SERVICE LIST ATTACHED)

BY THE BOARD<sup>1</sup>:

On October 31, 2000, Cablevision of Warwick, Inc. – West Milford ("Petitioner") filed Federal Communications Commission ("FCC") Form 1240, Docket Number CR00100846, seeking approval by the Board of Public Utilities ("Board") for an annual rate adjustment in its maximum permitted rate resulting from an adjustment for inflation, programming costs, copyright fees and channel additions pursuant to the Cable Television Consumer Protection and Competition Act of 1992, 47 U.S.C. § 543 *et seq.*, and provisions of the New Jersey Cable Television Act, N.J.S.A. 48:5A-1 *et seq.*

The Board, at its public meeting on January 10, 1996, in Docket Number CX95120636, approved the implementation of Optional Expedited Rate Procedures for the processing of certain filings made with the Office of Cable Television ("OCTV"). The intended purpose of these procedures is to grant final rates as quickly as possible to any cable company that chooses this process. In the spirit of cooperation based on the principles of Alternate Dispute Resolution ("ADR"), the discovery content is limited, thereby reducing the timeframe for settlement.

Petitioner chose to pursue its filing with the Board through the approved procedures. To that end, a pre-transmittal conference was held on December 15, 2000 and attended by representatives of the Petitioner, the Division of the Ratepayer Advocate and Board Staff. Petitioner agreed to waive its Office of Administrative Law ("OAL") litigation rights for this matter. It should be noted that Petitioner's waiver was a knowing, voluntary and intelligent waiver of its litigation rights at the OAL and that the waiver did not constitute a circumvention of the FCC

rules nor did it affect Petitioner's right to appeal in that forum.

Petitioner notified its customers of the rate increase by way of a newspaper announcement informing them of their opportunity to submit written comments to the Board for a period of thirty days. The notice appeared in The Bergen Record on January 2, 2001. During this time, no comments were received as a result of this public notice.

Upon review by Staff and the Ratepayer Advocate of the supporting documentation, schedules and other discovery requests, a settlement conference was held on January 2, 2001. On February 8, 2001, the parties entered into a Stipulation of Settlement.

The Board has reviewed the Stipulation and FINDS it to be reasonable, in the public interest and in accordance with the law. Therefore, the Board HEREBY ADOPTS the Stipulation of Settlement (attached hereto) as its own, incorporating by reference the terms and conditions therein as if fully set forth at length herein.
